## **Motu Tapu**

Motu Tapu is the most photographed islet in the South Pacific—just a five-minute boat ride from the Conrad Bora Bora Nui Resort. It was the private beach of Polynesian Queen Pomare IV, who reigned between 1827 and 1877. She held exclusive receptions and parties on the islet, where access was “Tapu” – forbidden, sacred, by invitation only, thus the name Motu Tapu has carried over to this day.

Surrounded by turquoise waters and overlooking mystical Mount Otemanu, this is an ideal location for a truly unique and unbelievably romantic sunset wedding.

## **Wedding planner tips**

*By choosing this location, you will discover an unparalleled paradise... Give yourself the luxury of being alone in one of the most beautiful places in the world, isolated from everything. A quintessential held on the sugary white sands of Bora Bora, overlooking the turquoise waters of the lagoon and the colors of the sunset. Do not forget to open your eyes, turtles love to relax near the edge!*
